PRESENTING RUSSELL COLLECTION

Inspired by fashion. Designed for work.

When you have to be as sharp at the end of the evening as at the start of the day, Russell Collection delivers. Our superbly tailored shirts for men and women add an unmistakeable edge to every organisation.

We live and breathe innovation and style. We're always searching for new, more wearable fabrics. We keep a keen eye on colour trends and the latest silhouettes. Fashion moves fast but we always follow it closely.

This season, our new Ultimate Non-Iron range brings a new sense of luxury to the workplace, with revolutionary fabrics and a choice of fit in our men's collection.

Meanwhile, our enhanced Casual range is inspired by the latest European retail trends, offering high quality with a more relaxed, contemporary twist.

Whatever you're looking for, you'll find it in our array of fabrics, styles, sizes and colours.

RUSSELL COLLECTION

ULTIMATE NON-IRON COLLECTION

Classic looks. Desirable luxury.

Our new Ultimate Non-Iron range transforms the work shirt into a garment you love to put on: 100% cotton, yet with all the non-iron properties of a blend. It has the luxurious feel of a premium retail product.

Available in both men's and women's sizes and in long and short sleeves, it shrugs off creases thanks to our revolutionary new fabric and fully taped seams, which result in a soft cotton texture that lasts and lasts.

And with a choice of fit for men, from classic to tailored, means it can flatter just about everybody. These premium shirts make feeling good an everyday pleasure.
