Sedile con imbottitura in resina espansa schiumata in stampo a spessore differenziato.
Meccanica sincronizzata con bloccaggio in multiposizione dispositivo anti-schock per i modelli 01 - 03 - 05 - 07 - 10.
Oscillante a fulcro centrale con bloccaggio in posizione operativa per i modelli 02 - 04 - 06 - 08 - 11.
Piastra di supporto non oscillante per i modelli 09 - 12.
Regolazione in altezza del sedile con pistone a gas.
Base arcuata in alluminio (Arko G e Arko C) o in nylon (Arko N) con ruote in nylon.
Braccioli fissi in tondino di acciaio trafilato con inserto a colore.

*Seat with resin foam stuffing.*
*Synchronised movement with lock-out assist for models 01 - 03 - 05 - 07 - 10.*
*Central fulcrum tilting for models 02 - 04 - 06 - 08 - 11.*
*Fixed mechanism for models 09 - 12.*
*Height-adjustable by means of a gas piston.*
*Five spokes arcuated turning base in alluminium made (Arko G and Arko C) or nylon made (Arko N).*
*Armrests: made in round steel with coloured insert.*

*Assise avec rembourage en resine expanse.*
*Mecanisme synchron avec anti-choc pour les modeles 01 - 03 - 05 - 07 - 10.*
*Basculant a point d'appui central pour les modeles 02 - 04 - 06 - 08 - 11.*
*Mecanisme fixe pour les modeles 09 - 12.*
*Reglage en hauter avec piston a gaz.*
*Base en forme d'arc avec cinq branches en aluminium (Arko G et Arko C) ou en nylon (Arko N).*
*Accoudoirs en barre d'acier avec joint a couleur.*
